Dear Participants,

We are pleased to say thank you to each of you who have attended the ICRAPAM 2017 Conference, hoping that your stay in Kusadası will remain in a good memory. We certainly hope that you have taken the opportunity to make new friends, renew old acquaintances and to have many fruitful discussions and scientific interaction. Your presence helped to make this event a great success

and your enthusiasm and positive spirit helped make our time together both productive and fun. We wish you all the best and hope that you will come again to our next conferences in Turkey.

I would like to inform you about the submission process of your papers to the special issues of the journal which are on web pages. Please read the following carefully and proceed accordingly to have a smooth submission process.

1- . If you are interested in publication of your papers in Proceeding of Filomat. This is to inform you about the submission of papers for Proceedings that will be published as a special (but regular) isuue of Filomat. The submissions can start because Section ICRAPAM_2017 is opened on the Filomat site (Guest Editors are Ljubisa Kocinac and Ekrem Savas).

If you want to submit your paper to this journal please do this ONLY using the journal on-line system for submission choosing the mentioned section. Information about submissions you can find on

http://journal.pmf.ni.ac.rs/f ilomat/index.php/filomat.

The submitted papers should be prepared in the journal format (STRICTLY following instructions from the attachments) so that we can have at least rough estimation of the number of pages for this special issue.

The deadline for submission is November 20, 2017. After this date the sections will be closed, so that you have to submit your article timely.

Another useful information is that one author can submit only one paper (as a single author or coauthor). All the papers will be evaluated by two referees following the high standard editorial procedure.

2. If you are interested in publication of your papers in Proceeding of the conference that will be published in The Journal of Nonlinear Science and Applications(JNSA). you should do the following:

The author should submit JNSA (www.tjnsa.com) or JMCS (www.tjmcs.com) by selecting editor Prof. Martin Bohner or Ekrem SAVAS. In the "Subject" you should write ICRAPAM-2017. Please mention "ICRAPAM-2016" when you submit your paper. I should tell you that this journal is open Access journal so please read author section for page charges before submitting your paper. This is very important. Let us remind you that the deadline for submissions is september 30, 2017.

All papers will be evaluated by the usual journal procedure. After acceptance of a paper the author(s) will be asked to pay the journall fee for publication of proceedings in JNSA. Publication fee is on author section of web page. If you have any problem you can contact Prof. Reza Saadati <rsaadati@eml.cc> or Ekrem Savas (ekremsavas@yahoo.com).
